30 May 1984

OC-MLS WEEKLY STAFF NOTES
FOR WEEK OF 21-25 MAY 1984

1. With D/CO concurrence, remaining OC Supplemental Support Resources (\$356K) were used to satisfy OC shortfalls:

25X1

2. A Capitalization Status Report (draft) is in final stages - for D/CO review.

25X1

3. C/RAG had an introductory session with  ODP, to discuss ways and means to share information about information handling requirements affecting the resources of both offices. New building, general applications, and terminal installations were discussed. A follow-up session will be scheduled.

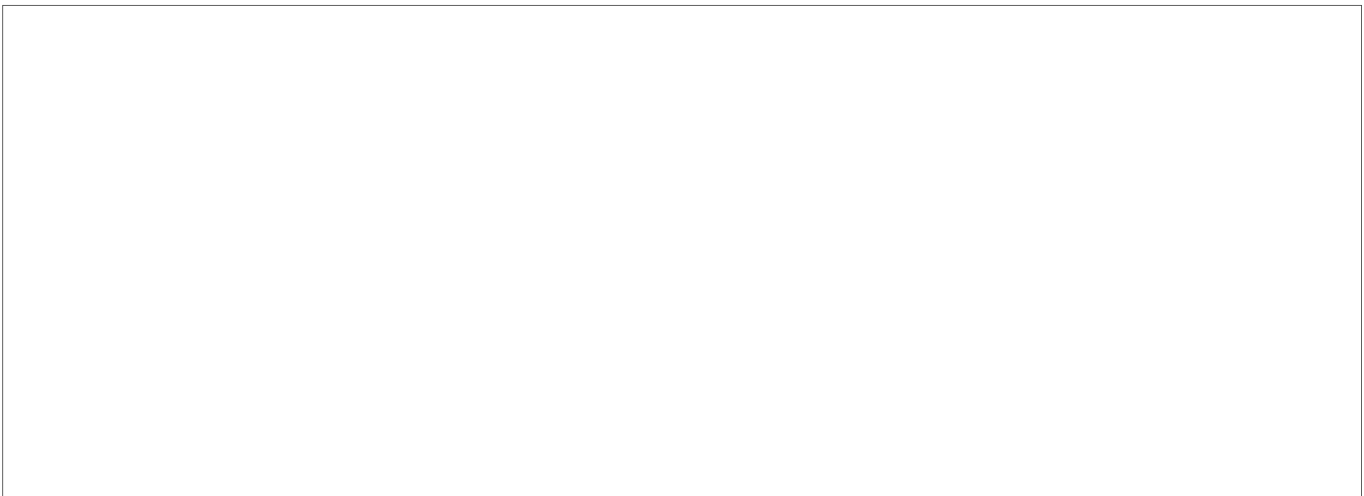

25X1

25X1

5.  met with officers from DND to discuss the problems of acquiring leases in the age of divestiture. This information will be passed to the National Communications System for use in planning the operation of the National Coordination Center.

25X1
